WILL MY RATES CHANGE OVER TIME?

MCE is committed to providing stable and affordable electric rates for its customers while delivering an environmentally responsible energy supply. Based on currently effective policies and schedules, MCE sets electric rates once per year. While MCE's rates may change over time, any changes will be proposed and adopted at public meetings with opportunity for public input. PG&E charges are subject to change over time based on CPUC ruling. For more information regarding MCE's rates and rate setting process, please visit: www.mceCleanEnergy.org/rates.

WHAT SOURCES WILL BE USED IN MY CERTIFIED PRODUCT?

Please see MCE's Power Content Label for the voluntary Deep Green 100% renewable energy service option on the reverse side or visit www.mceCleanEnergy.org/DG-PCL.pdf.

IF I WANT TO TERMINATE THIS AGREEMENT/ CONTRACT, WHAT IS THE EARLY TERMINATION FEE?

There is no early termination fee should you choose to return to MCE's Light Green 50 % Renewable Energy service option.

WHAT LENGTH OF AGREEMENT/ CONTRACT IS REQUIRED?

There is no term length associated with your participation in MCE's voluntary Deep Green 100% Renewable Energy service option. Failure to pay MCE charges may result in your return to PG&E bundled service.

WHAT OTHER FEES MIGHT I BE CHARGED?

If you opt out of MCE 60 days or later after the start of service you will be subject to the payment of a one-time \$5 (residential) or \$25 (commercial) termination fee.
