MCE Solar Rebate Terms and Conditions

Customers must meet and agree to the following terms and conditions to be eligible to receive a MCE Solar Rebate.

Please note that MCE is a program administered by Marin Clean Energy.

1. Rebate applicant must be a current MCE customer.
2. The building must be located in Marin, Napa, unincorporated Contra Costa County or the cities of Benicia, Concord, Danville, El Cerrito, Lafayette, Martinez, Moraga, Oakley, Pinole, Pittsburg, Richmond, San Ramon, San Pablo, and Walnut Creek.
3. Incentives are available until funds are exhausted and are subject to change.
4. Any utility, state, or federal solar rebates in addition to the MCE Solar Rebate must be petitioned for by the applicant and are the responsibility of the applicant.
5. Marin Clean Energy is not responsible for any taxes that may be imposed on the applicant as a result of receiving a rebate payment.
6. Any construction debris must be properly disposed and recycled as outlined in the local construction waste and demolition requirements.
7. It is the applicant's responsibility to contract with the contractor and to assume responsibility for the work to be performed.
8. Marin Clean Energy is not responsible for the contract that is entered into between applicant and contractor. Marin Clean Energy will not get involved in applicant or contractor disputes.
9. The applicant waives and releases Marin Clean Energy from any and all claims and causes of action arising out of the solar project.
10. The applicant shall defend, indemnify, protect, and hold harmless Marin Clean Energy, its elected and appointed officers and employees, from and against all claims for damages, liability, cost, and expense arising out of or alleged by third parties to be the result of the negligent acts, errors or omissions or the willful misconduct of the property-owner.
11. There are a limited number of MCE rebates available on a first come, first serve basis. Marin Clean Energy does not guarantee that all requests will be fulfilled.
